Here are a few things to keep in mind this summer;

- Volunteers are always needed and welcome to join the fire department
- Please make sure your smoke and CO2 monitors are in good working order
- Keep fire extinguishers handy

Regardless of the season, the fire department doesn't want to put out fires. In order for everyone to have a safe fire free summer, please keep backyard fires and campfires under control, have a hose or water filled buckets nearby when burning, and don't burn when it's windy or very dry. Sparks are often the cause of forest fires and damage homes and communities.

The Matachewan Volunteer Fire Department wishes everyone a safe summer.

-The Township of Matachewan would like to wish a Happy Anniversary to Mr. and Mrs. Landry who recently celebrated their 50th wedding anniversary.

- The Township of Matachewan would like to wish a very Happy Birthday to Mr. George Jobson on his 90th Birthday.

Thank you Sharon Dubé for your garden photos, I will post more in the next newsletter.
